

SERIOUS TRAINING EQUIPMENT

FOR

THE SERIOUS TRAINER

Training horses is like any other job. You need the right tools in the tool box for the job. These 3 tools are a must if you are going to be serious about training.

Rope Halter: black 4 knotted nose to work with pressure points.

Price: \$28.00 ea.

Handy Stick: fiber glass, blk/blue 4 ft. removable string with popper and padded handle.

Price: \$35.00 ea.

Lunge Rope: 15ft. black marine rope; leather popper on end and heavy duty brass snap.

Price: \$47.00 ea.

SAVE with the *COWBOY / COWGIRL PACKAGE*

Includes above three items

Total: \$90.00 (you save twenty dollars)

Don't waist unnecessary energy on your mount. If you get serious about training with the right tools, your mount will pay attention and actually want to learn! That's the way it should be.

Hope to see you at one of my clinics. Check them out on my web page at (www.kingstownvalleyranchllc.com)

Stay safe and stay in the saddle amigo!
